SUMMARY

Product Designer with 4 years of experience crafting user-centric digital experiences for fintech and edtech products. Skilled in end-to-end design from research to high-fidelity prototypes. Designs I've shipped have improved task completion rates by up to 40% and reduced support tickets by 25%.

SKILLS

Design Tools: Figma, Adobe XD, Sketch, InVision, Zeplin

Research: User Interviews, Usability Testing, Card Sorting, Heuristic Evaluation, Journey Mapping

Prototyping: Framer, Principle, Figma Prototyping

Other: Design Systems, Accessibility (WCAG 2.1), HTML/CSS basics, Google Analytics

EDUCATION

B.Des in Interaction Design — NID Ahmedabad

2020 Distinction

EXPERIENCE

Senior UX Designer — PhonePe

Sep 2021 – Present

- Led redesign of UPI payment flow for 100M+ users; task completion rate improved from 71% to 89%, reducing drop-off by 25%.
- Built and maintained PhonePe's design system (120+ components) used by 18 designers and 60+ engineers across 5 product teams.
- Conducted 60+ user interviews and usability tests informing 3 major product feature decisions.
- Designed onboarding flow for new SME merchants reducing time-to-first-transaction from 4 days to 6 hours.

UX Designer — BYJU'S

Jul 2020 – Aug 2021

- Redesigned the student progress tracking dashboard; support tickets related to 'progress confusion' dropped by 32%.
 - Ran A/B tests on video player interface and CTA placement, increasing video completion rate by 18%.
-

PROJECTS

HealthTrack – Mobile Health Companion (Concept)

Tech: Figma, ProtoPie, Secondary Research

End-to-end UX case study for a chronic disease management app. 5 research sessions, 3 design iterations. Usability test score improved from SUS 58 to 82.

GreenCart – Sustainable Shopping App

Tech: Figma, Maze (Testing)

Designed eco-impact calculator feature with gamification. 95% of test users said it influenced purchasing decisions.

CERTIFICATIONS

- Google UX Design Certificate (Coursera)
 - Interaction Design Foundation – UX Research
-

ACHIEVEMENTS

- Featured in Figma Community – 3,000+ duplicates on UI kit
- Design Award – Fintech category, NASSCOM Product Conclave 2023
